The Advisory Group

Collectively the group has been selected to represent a diverse range of Film Hub Wales members within the cultural and exhibition sector.

The group is made up of various organisations, representing venues, education, heritage, fundraising, programming (in both rural and urban settings), festival management and audience research and development.

Frequency of Meetings

We anticipate meeting four times per year.

Meetings will take place across Wales and members should be available to attend (or Skype meet) at least two meetings per year in addition to sub-groups as required.

The Film Hub Wales Manager and Development Officer will report directly to Sally Griffith, Director of Film & Film Hub Wales.

The Film Hub Wales advisory group is announced publicly.

We recognise that priorities, circumstances and required skills may change and so members will serve for 1 year and can be voted back onto the group 2 more times. The FHW management team reserves the right to approach individuals based on skills required by the group.
